

TC010: Warm Presence

One-card field guide

1 Minimum move

Slow down, orient to them, and make one low-pressure warm comment before your question or point.

2 Core formula

Settle -> orient -> warm opener -> low-pressure invitation -> responsive follow-up

3 Why it works

Makes people feel comfortable enough to open up, relax, and keep engaging.

4 How to do it

Step 1: Settle yourself first

5 Calibrate

Signs it is working
