

TC010: Warm Presence

Combined TC001-grade field card

- 1

Minimum move
Slow down, orient to them, and make one low-pressure warm comment before your question or point.
- 2

Core formula
Settle -> orient -> warm opener -> low-pressure invitation -> responsive follow-up
- 3

Why it works
Makes people feel comfortable enough to open up, relax, and keep engaging.
- 4

How to do it
Step 1: Settle yourself first
- 5

Calibrate
Signs it is working
- 6

Recover / neighbour
That came out colder than I meant. Warmth / opener / attention family distinction: TC010 Warm Presence is the right choice only when its specific cue is present.
