

TC023 / Rank 29 - Loaded Word Follow-Up

TwoCard_Combined

- Pick up the emotionally loaded or distinctive word someone used, then ask about that exact word.
- |Formula type|Pattern|Example| |---|---|---| |Minimum viable formula|Their loaded word + "how?"|"Weird how?" / "Intense how?" / "Messy how?"| |Warm formula|Small comment + loaded word
- "Weird how?"
- The technique fails when the echo sounds like a tactic, a challenge, or a therapy move. The fix is to use a warm tone, ask once, let them answer, then reflect or contribute.
- > The emotionally loaded word is usually the doorway. Pick it up lightly, then let them define it.
