

Echo Plus Question

Full standalone TC001-grade rebuild - v24

Core move Echo a key phrase, then ask one clean forward question to keep the conversation moving.
Minimum viable move Repeat the important phrase and add one short question.
Formula Echo key phrase -> one forward question -> stop.
Main risk Stacking echoes and questions until the conversation turns into an interview.
Neighbours TC001 Live-Thread Follow-Ups; TC023 Loaded-Word Follow-Up; TC025 Exact-Word Pickup; TC026 Tactical Mirroring; TC038 Conversation Threading
Field tip Keep it natural. The technique should make the other person more comfortable, not make you sound trained.
