

Permission to disagree

TC079 / Top500 rank 79

Core move

Ask for a small doorway before disagreement.
Then state one bounded difference, not a global attack.

Pocket phrase

"Can I offer a different read on one part?"
Follow with: "The part I see differently is..."

Formula

Permission + bound point + different view + return choice.

Best for

Relational risk, status gaps, tense topics, stakeholder alignment.

Avoid when

Urgent safety requires direct action or the other person has declined debate.

Recovery

"That came out sharper than I meant. Let me restate it."
