

TC086 LEAP

Listen - Empathize - Agree - Partner

Core move

Enter their world first. Show the feeling makes sense. Agree on one true point. Invite one small shared step.

Formula

From your side, [summary]. I see why [feeling] is there. I agree [true point]. Open to [step]?

Use when

Advice, correction, or facts are raising resistance and dignity must be protected before action.

Safety

Respect autonomy. Do not use LEAP as hidden pressure. Escalate when immediate safety is at risk.
