

TC092 Face-saving disagreement

Dignity-preserving clarity for hard no, pushback and correction

Perception

Notice public exposure, seniority, embarrassment, confidence, defensiveness or identity investment.

Move

Protect dignity, then challenge a claim, plan, interpretation, timing or boundary.

Phrase

I agree with the goal. I differ on the path.

Calibration

Are they discussing substance, or defending face?

Recovery

I made that sound dismissive. The issue is real; I differ on what follows.

Chain

Validate concern -> face-saving disagreement -> clean request -> silence.
