

Tactical Mirroring

Full standalone TC001-grade rebuild - v24

Core move Repeat one to three meaningful words with a curious tone, then pause so the other person can expand.
Minimum viable move Mirror one to three words, then pause.
Formula Key phrase -> curious tone -> pause -> let them expand -> choose the next move.
Main risk Overusing mirrors until the conversation feels mechanical, tactical, or suspicious.
Neighbours TC023 Loaded-Word Follow-Up; TC025 Exact-Word Pickup; TC030 Echo Plus Question; TC038 Conversation Threading
Field tip Keep it natural. The technique should make the other person more comfortable, not make you sound trained.
