

Perception -> Move -> Phrase -> Calibration -> Recovery -> Chain

Perception

Notice the cue.

Move

Name the two live sides of the person’s experience in one balanced sentence.

Phrase

Part of you wants one thing, and part of you is worried about the cost.

Calibration

Follow green lights; release on yellow/red lights.

Recovery

I may be reading that wrong.

Chain

TC004 Reflective Listening -> TC037 Double-Sided Reflection -> TC029 Strategic Silence
