

THE MOVE

Notice the shift -> ask one low-pressure follow-up -> watch for confirmation -> follow or release. -> You seemed a bit more interested when you mentioned that — want to go there for a second? -> That part seems most relevant. Should we focu...

START HERE

Notice which topic draws more detail, warmth, or speed, then offer one light follow-up with an easy way out: "You had more to say about that part — want to stay with it, or go another direction?"

SAY THIS

Ultra-light	<i>"More in that?"</i>
Social & rapport	<i>"You gave more detail there — what makes that part interesting?"</i>
Work & meetings	<i>"That part seems most relevant. Should we focus there?"</i>
Choice & direction	<i>"Is that the useful thread, or is there somewhere better to go?"</i>
Sensitive & conflict-s...	<i>"I may be reading this wrong, but that seems to matter more than the rest."</i>
Recovery & release	<i>"I may be reading that wrong."</i>

AVOID

- There is a real power imbalance and the person may feel evaluated
- Someone is in distress or under time pressure
- You need specific information and they are giving short necessary answers

REMEMBER

Follow energy, not your agenda.
