TC075 / TOP500 RANK 75

Acknowledge Effort

Front and back field card summary.

Core

Name specific effort before advice, evaluation, correction, or next task.

Formula

You [specific action] despite [constraint], and that [impact or choice] matters.

Recovery

The effort is real, and the outcome still needs work. Keep both true.

Neighbour

Effort = TC075; value = TC018; feeling = TC006; concern = TC014; meaning = TC040.

Practice

Spot effort signals: preparation, persistence, care, restraint, recovery, cognitive labour, emotional labour.

Field tip

Name the work before you judge the work.
