Permission to disagree - combined

TC079 / Top500 rank 79

Doorway phrase

"Can I offer a different read on one part?"

Bounded counterpoint

"I agree with the goal. The part I see differently is the timeline."

Calibration rule

Continue, adjust, or stop based on openness, hesitation, or decline.

Recovery line

"That came out sharper than I meant. Let me restate it."

Neighbour choice

Advice = suggestions. Validation = feeling/concern. SBI = evidence. TC079 = consent to differ.

Safety line

Use to preserve clarity and dignity, not to corner, dominate, or win.

Minimum viable move

"Can I push back gently on one piece?"

Next chain

Validate -> Permission to disagree -> SBI/NVC -> Autonomy release.
