

What did you make of it?

Invite their interpretation before giving yours.

Perception
They described an event, result, message or interaction, but not what it means to them.

Move
Ask one clean meaning-making question. Then stop and listen.

Phrase
"What did you make of it?"
Soft: "What is your read so far, if any?"

Recovery
"No pressure to analyse it."
"Too early to tell is a complete answer."
